

# Impact Report

Year Ended  
December 2023

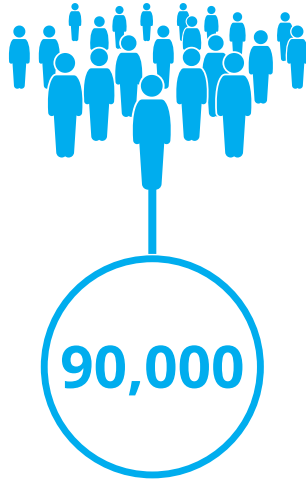

# LIFT at a Glance

## Key Impact

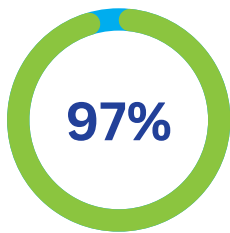

Corporate, Community, Public Sector and Third Level Partners

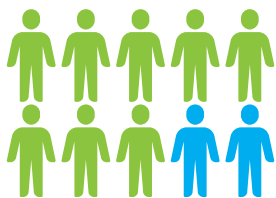

Cumulative roundtable participants since LIFT started.

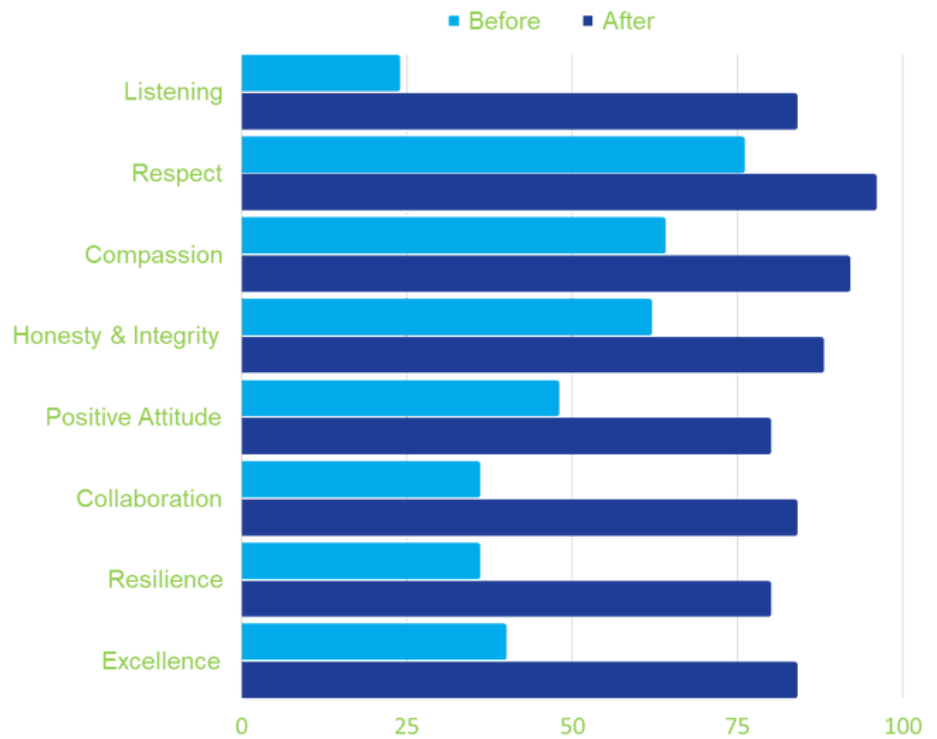

Number of Partner Second Level Schools

of adults now have a better understanding that good leadership involves things like respect, empathy and personal accountability

Over 80% of adult participants say that their behaviour has changed in a positive way because of LIFT

Staff of Laura Lynn rating of their behaviour before and after the LIFT cycle of 8x40 min roundtables. Practically this could mean a cancer nurse feels less stressed, has increased compassion, increased empathy and resilience using LIFT's framework day after day.

# IMPACT REPORT 2024

CELEBRATING ANOTHER YEAR OF POSITIVE LEADERSHIP CHANGE

## CONTINUED GROWTH

## DEEP IMPACT

JANUARY 2024 TO DECEMBER 2024
